## We care for you...

A wake is a time for friends and family to come together to celebrate the life of a loved one, but the period following their passing and organising a gathering can be a stressful and upsetting time. That's why we are here to support you every step of the way and handle your day with the utmost sensitivity. Our friendly team of efficient staff will look after you from the time of booking through to the day of the service, ready to welcome you and your guests for a chance to get together and reminisce.

Hotel Sheraton has three rooms which you can have exclusive use of; Sheraton Suite, Sheraton Lounge or Seymour Restaurant. Many families wish to display cherished photographs and videos as a way of sharing fond memories, for this the Sheraton Suite would be perfect for such and larger gatherings of up to 150 guests. Some families prefer to keep things simple; our team will organise your day to reflect the whole families wishes; our Sheraton Lounge is ideal for small gatherings who simply want to be together and remember their loved one. Hotel Sheraton lends itself to both peaceful and lively occasions, depending on how you would like to remember your loved one. For those who may have family travelling from afar, we can also offer overnight accommodation in some of the most comfortable and contemporary guest bedrooms in Blackpool.

After years of experience, we know how important it is for you to have a single point of contact at the venue, so we will provide you with a senior member of our team to help you through the planning. We can discuss your wishes and budgets, remaining transparent and sensitive throughout; we want you to feel reassured and supported throughout this difficult time.

We have designed various menus for you to choose a suitable package which will fit within your budget. We understand that catering for a funeral can be a very personal choice. As such, we can tailor requests to exact requirements; we have included our most popular menus.

Please call us on 01253 352723 and ask for Alison Bacon, Oliver Brown or myself to arrange a visit to the hotel.

Ensuring you of the best service from the very beginning.  
From all of us here at Hotel Sheraton, our deepest sympathy for your loss.
